SKILLS

I am a very organized person. I learn very quickly and am usually able to follow instructions very well. I am an avid reader so I will be able to make recommendations for customers.

EXPERIENCE

Babysitting, 44 Poplar street - *Babysitter*

June 2015 - September 2015

- Normally children ages 5-12
- Taught me how to interact with different people
- Taught me responsibility and how to manage different task at once.

EDUCATION

NFA North, 301 Robinson Ave.

September 2014 - July 2018

Most of my time has been spent taking college courses but I have taken many high school courses that I believe have taught me a lot as well. I have taken dimensional drawing classes, psychology classes, and coding classes.

Suny Orange, One Washington Center

September 2015-July 2018

I have taken many classes during my time in college. These classes are in a variety of areas such as college algebra and trigonometry, Computer literacy, Intro to criminal Justice, and i will begin taking calculus and English 101 in the fall.
